Note:
1.To be conferred a Master's degree, students are required to obtain at least 43 credits from both compulsory and elective courses, and must pass all required examinations and core competencies to be eligible for graduation.
2.A maximum of 6 credits for courses outside this department may be counted as the electives.
3.In accordance with the General Provisions for Study, graduate students need to pass the core competencies to be eligible for graduation.
4.The elective courses in this course framework can be applied retroactively to students who entered from 2015-16 academic year.
5.In accordance with the MOE standard, it is required that MCU graduate students reach the CEFR B1 English Proficiency Level before graduation. (According to the school's regulations, students who need to achieve more than 550 on their TOEIC test or the one who pass the oral exam on GEPT Intermediate Test, etc.) Any student who does not reach the standard is required to complete two 2-credit Applied English courses.
